

## General

1. Original Job Card needs to be produced for unit collection after repair along with a valid photo identity card.
2. Estimated turn-around-time is **7–10 business days** depending upon availability of spare parts. In case of unavailability/out of region spare parts, the turn-around-time may be higher.
3. Any accessories (cartridges, adapters, chargers, etc.) handed over along with the unit are clearly mentioned on the job card. We will bear no responsibility for any items not listed on the job card.
4. We are not liable for any proven product design limitations which hamper the performance of the product.
5. We are not liable for any loss arising from any information or instruction supplied which is incomplete, incorrect, or inaccurate.
6. Customer should supply the passwords used on the device for the purpose of service.
7. The repaired unit must be collected within **15 days** from the date of intimation about repair being completed. In case not collected within 15 days, a storage charge of **₹3,000 per month** will be levied.
8. We reserve the right to dispose the uncollected units after **30 days** from the date of repair completion/quote rejection; the customer shall have no claim against the company.
9. We are not responsible for consequences of wrong contact details, including disposal of unit after agreed number of days.
10. Fees/Charges, as applicable, can be paid in cash. Unit delivery will be made after receipt of payment only.
11. Cybervilla will not be liable for any delay or failure in performance caused due to Force Majeure events.
12. Cybervilla reserves the right to dispose the unit in case the quote for out-of-warranty service is not approved/rejected/non-responded within **30 days** of quote generation.

## Data & Software

1. Data backup before submitting the unit for service is the **sole responsibility of the customer**. Cybervilla will not be liable for any data loss or corruption.
2. Any additional services like data backup / data recovery / software installation will be chargeable.
3. Operating system or other software may be restored or removed from the unit as a result of service. It is the responsibility of the customer to reinstall the required software.

## Warranty Repairs

1. We may require a valid proof of purchase (POP) to register the unit under warranty services as part of vendor compliance requirement.
2. Cybervilla will not provide warranty for Operating System or any other Software.
3. We will retain defective spare part(s) or product after replacement as part of vendor compliance requirement.
4. Out of region, physically damaged units, third-party repaired units, customer-induced damages, and liquid spillage units may not be repaired under warranty and will be considered **Out of Warranty**.
5. Consent is hereby provided to share contact details (mobile number, email, name, etc.) with the manufacturer for warranty claims.

## Out of Warranty Repairs

1. We offer a **90-day repair warranty** starting from the date of repair if the same issue recurs.

- 2. We may use parts/products that are new or equivalent to new in reliability and performance.
- 3. A quote approval will be required from the customer to proceed with post-warranty repairs.
- 4. An assessment fee as per the rate card will be levied for Out-of-Warranty repairs. This fee is applicable on quote rejection and waived on quote acceptance.
- 5. We will exercise our right of lien on the serviced unit until all charges due have been paid in full.
